

# Through Zion's Window

SEPTEMBER 2019

Dear friends in Christ,

I've come to the conclusion that youth today are different from 35 years ago (yeah, I can be slow sometimes!). When I was in Junior High (Middle School in these parts) and High School I lived for the summer, every last day of it. I wasn't alone either; my friends felt the same way. As the last weeks of August arrived, we began to dread Labor Day weekend, because we knew that our days of freedom were coming to an end and we would soon be returning to the dull confines of the classroom, imprisoned for another 9 months. And yes, I was dramatic in my youth as well!

Today, through the wonders of technology and social networking (aka Facebook) I get to see what the youth are thinking. And to my surprise, many of them (even the majority of those who have "friended" me) are writing that they are looking forward to going back to school! They are waiting, with eager anticipation, the return to the classroom. Yikes! What are today's youth becoming? What hope is there for the future?

Actually, I think these kids have realized a great truth that I missed out on in my youth. They understand the joy of fellowship with friends not seen for months. I'm guessing, but I think it is less the classroom that they are looking forward to than the renewing of old friendships and the making of new ones.

As summer comes to end, I find myself joining these youths in eagerness to begin the new school year. Granted, I won't be sitting in the classrooms, but with the beginning of the school year we start again with our Fall programming. Sunday School and Confirmation start in just a couple of weeks. Adult education starts a little after that (see more on this inside the newsletter) and hopefully other fellowship opportunities. In other words, things are about to get busy in a good way.

It's been a good summer, mostly a quiet one – a good one for starting my newest call. But now I'm eagerly awaiting the end of summer and the creation of new friendships and great conversations. I enjoy fellowship and education and I look forward to getting to know all of you better this year.

Let's have a fun year together.

### Adult Education

Thank you to all who completed one of the Adult Education questionnaires. I got a lot of feedback and the results were pretty close but, in the end, 2 clear times were the most popular. So, we will begin gathering twice a week in the 3<sup>rd</sup> week of September.

Adult  
Education

*Wednesday morning, we will gather from 9:30 – 11:00 at Zion beginning on October 9<sup>th</sup>. We will then meet on the 2<sup>st</sup> and 4<sup>rd</sup> Wednesdays of every month.*

*Thursday evening, we will gather from 6:00 – 7:30 at Cross beginning on September 19<sup>th</sup>. Again, we will meet every other week on the 1<sup>st</sup> and 3<sup>rd</sup> Thursdays of each month.*

When we gather the first time, we will decide what our topic(s) will be. Members of either church are welcome at both gatherings so please come to whichever best suits your schedule – or both! I look forward to our time together.

Thanks

Pastor Doug

### Back to School...

...which just might include YOU too! The environmental science class at Oconomowoc High School has joined a group of high school students in Australia in their effort to alleviate the plastic grocery bag world-wide crisis. They have designed BOOMERANG BAGS, fabric bags which are used as refillable/reusable shopping bags.

What does this have to do with us? OHS students are looking for help making the bags which will be made available for no cost to shoppers at local area stores (and even the Ashippun Bread basket!). If you sew – great! If you don't, there are several ways you can help with this energetic outreach by donating heavy weight fabric, ironing, folding, cutting, pressing, and more.

Interested? Want to check it out? Let me know! I'm excited to share this student-driven project with you. They are an extremely energetic, committed bunch of delightful kids. I think you'll find it satisfying to toss your hat (or Boomerang Bag) into the ring of busy bee creators!

Get back into the swing of the good ole school days and sew with us.

**Saints in Light**

All Saints Day will be celebrated  
**Sunday, November 3.**

Use the request form in this newsletter to honor special people in your life by lighting our tree.

Red lights honor living friends and relatives; white lights honor the deceased.

Requests will be accepted through October 27.

Completed forms and checks may be placed in the Evangelism mailbox.

**Ice Cream Social**

The event was quickly organized. Doreen, Gina, Wendy and Jeanine would like to know how we did. Is there anything we could do better and how? Was the date and time good?

Piggly Wiggly receipt totals for July and August: \$7,293.43. Woohoo! Watch the youth account grow through the generosity of Fox Brothers Piggly Wiggly and by your dropping Pig grocery receipts in the drawer. Thanks so much!

On Sunday, September 8, we will have a special "Backpack Blessing". All students, teachers and education professionals should bring their backpack/bag to worship with them.

Thanks to the generous support of individual families and the Zion Church Council for the education of 16 new children in Mirebalais, Haiti. These children will be walking to school in September with new uniforms and new books to start a new chapter in their lives.

Anyone sponsoring a child should have already received a letter to acknowledge their support. In October the children will have their photos taken. Each sponsor will receive a photo, the child’s year in school and the school they are attending in late November or December.

You could have an opportunity to meet your student during a trip to Haiti January 18-26, 2020. Visit [www.viphaiti.org](http://www.viphaiti.org) or contact Kathy Hetzel, 262-224-2557.

Oktoberfest Raffle and Quilt Raffle tickets are available. Please see Doreen or Christine after church for your ticket needs.

THANK YOU to all of Zion's MS rest stop volunteers and bakers, they volunteered their time and talents at our rest stop during the MS Bike Ride. We went through 25 breads/bars, 8 watermelon, 8 muskmelon, and almost 21 # of grapes! Thank you!

!!
