*****It is our hope and prayer that we will be able to continue with our schedule at some point in May, but it is out of our control and we will we keep you posted *****

Another texting/email scheme going around is taking advantage of people's good faith.

Criminals are taking advantage of church members' trust in their pastors to impersonate pastor's accounts and send text or email messages saying that the pastor is in desperate need of money. Reasons provided vary from claiming a medical emergency, a horrific car accident, or helping others in great need. Please do not respond to the texts or emails.

Please know that your pastor would NEVER contact you by text or email and ask you for money. If you are ever in doubt, contact your pastor directly or a member of your church council.

A Mother's Hands...

Reach out to bless her children and

reach up to praise the Lord.

They're always loving, often praying, and

ever giving more than she keeps for herself.

A mother's hands may tire,

but they never expire in their efforts

to do good for those she loves.

A mother's hands may age,

But her influence lasts forever.

Happy Mother's Day!
